

Living the Strong in Spirit WAY

"I can't describe how meaningful this book is for me. It is one of the greatest needs of the church today."

"This is a gateway experience to read about spiritual maturity in such a definitive and integrated way!"

"This book will be treasured by everyone who has the wisdom to read it."

"This is a great book! It is revolutionary in nature, but it's what normal Christianity ought to be."

Some people change the world; most are changed by it and never get out from under its oppressive pressures. Not so Jesus Christ, John the Baptist and Paul the Apostle, three men who are each described as Strong In Spirit in God's Word. Each of them lived with such powerful inner strength that they radically changed the world they lived in—for good, for God and for eternity. What are the ingredients for living such a life? What does it take to make that kind of

difference and begin to live the only life worth living on planet earth—a Strong In Spirit life? This book will help you find the answers and teach you how to begin to thrive in life instead of just survive—to flourish in life instead of just function. The Strong In Spirit message will revolutionize your life and help you to live out your destiny and be able to join Jesus and Paul in saying, "I finished it!" at the end of your life, like they both did. There is no other life like the Strong In Spirit life. I invite you to begin the journey toward it now.
