Praise Report

Strong and powerful greetings to you in the Name above all names! In the words of 3 John 2 (NLT), *"Dear friend, I hope all is well with you and that you are as healthy in body as you are Strong In Spirit."* Amen and amen!

I think it is appropriate that I am writing to you on this, the 4th of July – the day we celebrate our nation's freedom. Because the meaning of the name 'Bruce' means 'Liberator,' (my destiny and purpose in life) I am very, very interested in freedom, as Paul writes in Galatians 5:1, *"It is for freedom that Christ has set us free."* It is so fun to watch the Lord release it to people. I recently ministered to a mother and her grown daughter. While the daughter received some freedom before the enemy shut her down for a time, her mother has found great freedom and is now sleeping soundly through the night for the first time in years. She has found she no longer needs the pills she has used, which were some of the strongest medications on the market today to get to sleep because of the new health, strength and freedom the Lord has given to her! She is also learning to stand and fight in the warfare instead of be shut down by the enemy and run! PTL!

In addition to the changing of lives, I have reached a huge milestone in this ministry. While I first presented the Transformation Ministry Seminar last winter, it was still not in finalized form. I had a number of additional books to read and a great deal of other material to include. That is now completed and has added substantially to the Seminar, such that it now covers 300+ pages and takes 4-5 days to present!! It has been a *huge* undertaking, the largest of my life, and is now complete and ready to be presented in fullness. Frankly, much of it takes my breath away because funny as this sounds, I understand life, warfare, the enemy and the need for freedom so much better now than I ever have before! God has downloaded a great deal of revelation in this Seminar to share with the body of Christ! If you are interested, further information and a complete outline of the chapters and topics the Seminar covers can be found at the bottom of the Transformation Ministry page of the Strong In Spirit webpage at www.stronginspirit.com/3_sis_tm.htm.

In addition, I recently received a phone call from a ministry in Los Angeles that is interested in the Transformation Ministry material and perhaps the training Seminar as well. They appear to be connected with other ministries internationally and could potentially be a huge open door to the nations for Strong In Spirit Ministries if God so moves!

Finally, I also met a visiting pastor recently from Kenya and we seemed to 'connect' well with each other. There is therefore a possibility I may be invited to train his people in Transformation Ministry.

Prayer Needs

Although my prayer needs remain much the same, please continue interceding...

- † That doors will open for this ministry both in Kenya and Los Angeles with these ministries as well as other places for the building up of the body of Christ and destroying the devil's works.
- † That many copies of the book, 'Living The Strong In Spirit Way' will be bought and the message will spread far and wide and make it into the hands of those who need it most.
- † For funds to live on, pay ministry expenses and publish new books with.
- † For wisdom and discernment in dealing with people and for God to order my steps for His glory.
- † For faithful ministry advocates, financial supporters and intercessors for Strong In Spirit Ministries.

May God bless you and lead you for His glory! ***ALL His very best to you, Bruce***
