Praise Report

Strong and powerful greetings to you in the Name above all names! I am doing well in Tennessee and want to bring you up to date with what has been happening so far this year with Strong In Spirit.

First, I completed presenting the Transformation Ministry Seminar in a city near Knoxville a few weeks ago. Although it was only a small group of people who attended, they were blessed and a number of them said how much other people need to hear these liberating truths. Some of the understanding the Lord has given me in a variety of these areas still amazes me frankly. Things I've wondered about for years have now become *much* clearer, and they are *very* exciting! Also, a few of the folks who came are talking about trying to sponsor a TM Seminar themselves and get more people to come. Please pray for that!

Also, one person who attended the Seminar not only got some significant healing for herself (which she was amazed at), but also said that while I was presenting the Seminar, God gave her a vision of me presenting the Seminar in a white shirt, tie and suit as it was a larger, more formal setting. That was definitely encouraging! Some day this ministry is going to break forth. It hasn't happened yet, but I look forward to when this message can get out to a larger segment of the body of Christ! Let's keep praying for favor that God would blow open the doors for these life-transforming Seminar messages!!!

Finally, I was recently doing Transformation Ministry for a lady who lives in Nashville. She was decidedly changed by what God did and stated that people in Nashville desperately need this ministry and these truths. She said, by faith I believe since she has no particular connections, that she would like to have me come to Nashville and present this someday. I readily agreed! In fact, I'll be doing TM for her husband soon as well. Good things are starting to bloom, like spring! I pray the same thing for you and your life!

Finally, let me remind you of the purpose of what I'm doing with Strong In Spirit Ministries. The purpose is of this ministry is to... *"Raise up strong in spirit quality disciples like John the Baptist and Paul the apostle (Luke 1:80, Ephesians 3:16, Matthew 11:12) – by liberating, strengthening and transforming disciples who will live out their destinies (Matthew 11:10, Acts 9:15, Ephesians 2:10), co-reign with Christ in life (Ephesians 2:6, Psalm 8:5-6), expand God's kingdom on earth (Habakkuk 2:14, Acts 1:8) and carry out His works of love (Preaching/Teaching – Matthew 11:1, Mark 10:1; Miracle-working – Matthew 11:2-6, Mark 1:32-34, Luke 9:1, John 14:12; Evangelism – Luke 19:10, Matthew 28:18-20; Summary Statements – Mark 12:30-31, Acts 10:38, 1 John 3:8). All this is simple Christ-likeness (Romans 8:29, Galatians 4:19)."*

Prayer Needs

My prayer needs remain much the same, so please continue interceding for the following...

- † That doors will open for many Strong In Spirit and Transformation Ministry Seminars to be presented for the building up of the body of Christ and destroying the devil's works.
 - † That many copies of the book, 'Living The Strong In Spirit Way' will be bought and the message will spread far and wide and make it into the hands of those who need it most.
 - † That I will be given sufficient funds to live on, pay ministry expenses with and publish other books with, as well as for traveling to the nations.
 - † For wisdom and discernment in dealing with people and for God to order my steps for His glory.
 - † For faithful financial supporters, ministry advocates and intercessors for Strong In Spirit Ministries.
- May God bless you and lead you for His glory! **ALL His very best to you, Bruce**
